

# Oryx Insurance Brokerage, Inc.

Oryx Insurance Brokerage, Inc. is a Managing General Agent (MGA) located in Binghamton, NY. Founded in 1996, our focus has been on construction clients within the Northeast. Our exclusive relationship with a highly rated insurance carrier allows us to develop, market and underwrite admitted insurance products specifically designed for the construction industry.

## Overview of Services:

- ◆ Facility for both program business and broker select wholesale relationships
- ◆ Workers' Compensation program tailored exclusively for artisan contractors
- ◆ Monoline and package capabilities specific to the construction market
- ◆ Licensed internal claims division overseeing both program and wholesale partnerships
- ◆ Internal risk management department offering your clients comprehensive loss control services for a wide range of construction settings
- ◆ Emphasis on underwriting and establishing long-term broker relationships

## Our Appetite for Risk

- ◆ Artisan contractors
- ◆ Ready-mix operations
- ◆ Manufacturing
- ◆ Wholesale & Retail trades

## Why Oryx is Different

- ◆ Extensive construction knowledge with quick turn-around time on every request
- ◆ Every claims adjuster certified with Construction Risk Insurance Specialist (CRIS) and Certified Worker's Compensation Professional (CWCP) designations
- ◆ Experienced loss control staff providing assistance in developing safety procedures
- ◆ Education Center offers specific training classes in various locations to all Oryx clients at no charge.

We utilize the boxing imagery throughout our marketing material because we are known as never backing down from a fight. We have seen many carriers try to underwrite construction related business only to be KO'd early in the fight. We have experienced the highs and lows of the marketplace and know what it takes to go the distance. In the end, you can count on Oryx as being your consistent and reliable source for construction insurance.
